

Clarification with respect to the Queries Dated on 14.11.2019 submitted by the AMS Team

SL. NO.	Query	Clarification	Reference to RFP
1	Since there are 8 clusters, do we need to submit bids for different clusters separately? Also, do we need to propose separate teams for each cluster?	<p>(i) The bidder can propose for one or more than one or all the eight circles.</p> <p>(ii) Decision will be taken by the bidder whether to propose the separate or same team for each circle depending upon their capability to complete the evaluation and submit the desired report within specified time frame.</p>	<p>(i) Para 1 of Request for Proposal in Page No. 2</p> <p>(ii) First bulleted point under NB of Point 4 of Part-III: Information to the Bidder in Page No. 10</p> <p>(iii) Para 1 under Point 7 of Part-IV: Terms of Reference in Page No. 29</p>
2	As per page no. 14, there are marks allotted to experience in NRM projects and Forestry sector. However, page no. 35 and 41 suggest that bidders should have experienced in conducting evaluations in any sector. Kindly clarify.	<p>(i) Yes, in page 14, there are marks allotted to experience in NRM projects and Forestry sector separately. Here, the experience of the bidder is to be evaluated with respect to different sectors during the time of evaluation of proposals of qualified bidders. Secondly, Natural Resource Management Project (NRM) includes any project relating to natural resources such as land, soil, forestry etc.</p> <p>(ii) Since the present evaluation is relating to the forestry sector, the experience of the bidder in NRM project other than forestry is considered as one parameter and experience in forestry sector is taken as another parameter for doing evaluation of technical proposals of the qualified bidders.</p> <p>(iii) Yes, Page no. 35 and 41 suggest that bidders should have experience in conducting evaluations in any sector. The Technical Proposal Submission Forms have been attached in page 35 & 41 which should be duly filled up by a bidder specifying the completed or ongoing assignments detail in any sector. Here 'any sector' means experience in the relevant field which will be evaluated by the Client for selection of a bidder as per the prescribed process of evaluation.</p>	<p>(i) Point 7: Evaluation of Proposals of Part-III: Information to the Bidder in Page 13 & 14</p> <p>(ii) Technical Proposal Forms: TECH A-4 in Page no. 35 & TECH B-3 (i)</p> <p>(iii) Point -1 : Pre-qualification/ Eligibility Criteria of Part-III: Information to the Bidder in Page no. 8.</p>

3	Kindly provide clarity on the number of envelopes since we are unable to figure out that how should we bind Section- A, Section – B and the copy of Section – B together.	<p>(i) The procedure for submission of proposal by a bidder has been mentioned clearly in the RFP document like</p> <ul style="list-style-type: none"> • Three envelopes will be required by a bidder while processing for submission of proposal. <ol style="list-style-type: none"> 1. The envelope containing Technical Proposal will include duly filled in technical proposal submission forms of Section-A & Section- B In Original, Copy of Originals, soft copy in word format in CD (Part A & Part B) and all the supportive documents and information which should be bound together. The envelope should be sealed and marked as Technical Proposal. 2. The envelope containing Financial Proposal will include duly filled in financial proposal submission forms and soft copy in pdf form in CD. The envelope should be sealed and marked as Financial Proposal. 3. The above two (Technical and Financial) Envelopes have to be placed inside a third main envelope with proper labeling as mentioned in the RFP. 	<p>(i) Procedure for submission of proposal under Point 5 of Part-III: Information to the Bidder in page No.12.</p>

Sir,

With reference to your query dtd. on 12.11.2019 about the deposit of Performance Bank Guarantee (PBG), this is to inform you that the PBG is applicable to the successful bidder only as mentioned in para 10 of Part - III of the RFP document.

From,

Sociologist,

Office of the PCCF, Aranyabhawan, Bhubaneswar, Odisha
